Reader R. wants to see more beachy photo shoots.

Buns in the Sun

Dear Virgin Territory,

Hey, *18eighteen*! Aren't you located in tropical Miami–a place known for its swaying palm trees, sun-kissed beaches and warm weather? I appreciate the photographer's artistic creativity taken with Megan in the Holiday '11 issue, where she showed it all in an autumnal arboreal setting in Michigan. But I think she would have been better served if you bought her a ticket to Miami and had this set shot in South Florida. Being a resident of a cold weather state, with little chance of visiting a tropical locale like Miami anytime soon, I'd much rather see your models showcased in the hot Florida sun, with an aquamarine-watered beach or palm trees in the background. What I see in your sets that have been taken in such locations are about as close as I'm going to get to anything tropical during the winter months!–R. via email

Dear R.,

Yes, we are located in Miami. We have some bikini and poolside photosets coming up soon, so stay tuned!

A Ball-Draining Issue

Dear Virgin Territory,

I just received my April '12 issue of *18eighteen* and as soon as I saw cover girl Mae and *Creampies Cutie Pies*, I knew this issue was going to be a ball drainer. Almost every teen in this issue had me blowing huge loads of sticky cum. And if there was a Smithsonian for porn, the newest *18eighteen* DVD, *Creampie Cutie Pies*, would undoubtedly be in it, and I can't wait to get my hands on it.

Allison was the first sexy slut in this issue, and she got my dick stirring. I enjoyed seeing her wet panties, and it was so hot knowing that she was playing with herself even while waiting for her shoot. I'd give anything to suck her sweet juice out of those panties. Her pussy and asshole look so tasty. Next was Alyssa. My cock began going into a frizzy as I was thinking how great it would be to have her huge pussy lips wrapped around my dick as I fuck her brains out, blowing a load inside her twat. I loved the picture of her asshole and her fingers in her snatch on page 35.

The next cocktease was covergirl Mae. Her entire shoot was red hot and off the chart. She has the cutest dimples and another stunning smile. Her pussy is beautiful, smooth and looks as tight as a vise as is evident on page 49. Sasha's hardcore layout was next as pre-cum was now oozing out of my cockhead. I enjoyed seeing how she got her inspiration from looking through her boyfriend's porno mag. The cum shot on her face on page 61 was a fiery ending. The ravishing newcummer Rilee was next and what a hottie. I love her braces, her tits and that smooth, tight box. I'd love to pop her cherry and turn her off to girls.

Soccer slut Tracey was next and while I hate the bush, she was still another beauty. Zoey was the next sex kitten, and I blew a huge load of jizz when I got to page 80 and saw that there's a chance to win her panties. Oh how badly I want those, and the

Jessica's hot hardcore layout from April '12 won M.F. over.

Allison's wet, little pussy is waiting for a cock to penetrate it.

things I'd do with them. I can't wait to write in. I enjoyed seeing her with a toy in her butt. Hopefully we will see her doing anal. Last but certainly not least was Jessica's hardcore shoot. It was good, but I'm sick of seeing the gymnast photos. The shot of her butthole on page 94 was stellar and I liked how you could see cream oozing out her twat, too, and the cumshot on page 97 was a nice ending to a perfect issue. It's hard to believe that you're already on the April issue. Four issues in and I have no complaints about any so far.–M.F., Harrisburg, PA

Readers are falling in love with Rilee's incredible boobs.

Dear M.F.,

Even though you'd like to turn Rilee off to girls, we hope you still enjoy her girl-girl layout with Jenna on page 22.

Allison Arouses

Dear Virgin Territory,

Allison is such a hot, little slut. She makes my cock throb. She looked hot getting all that jizz in her pussy in the DVD *Creampie Cutie Pies*, and she also looked perfectly fuckable in her April '12 layout. In the picture on page 23 her puckered starfish looks like it would be so nice and tight around my cock. I hope one day she discovers the wonders of anal. Allison also has the perfect tits. They fit right in the palm of your hand, and you could probably fit one in your mouth. I like tits that have a tear drop shape, the kind that you can cup in your hand. Please feature more of Allison. She makes me so horny.–R.S., Memphis, Tennessee

Dear R.S.,

Here's a bonus photo of Allison to keep your juices flowing!

Rilee's Rack

Dear Virgin Territory,

Rilee looks like she belongs in a fashion ad. But I'm much happier to see her naked in the pages of *18eighteen*. She is so beautiful, and has such an amazing body that I'm sure she could be a professional model. But if the nude side of that world is what she prefers, I am all the happier for

her. She has the most incredible pair of tits I have ever seen. At first I thought they may be augmented, but then I read that they are real.

To be honest, I have never fantasized about tit-fucking a girl before because I prefer smaller breasts. But I've been dreaming about tit-fucking Rilee (and fucking her pussy, too, of course) for days now. And I thought I knew everything I was into sexually. It's good to know that there are girls out there who can turn me on to new things.–L.O., Newark, New Jersey

Dear L.O.,

We gave Rilee a careful inspection to make sure her boobs are real, and those puppies are 100 percent all-natural!

The French Ass Man

Dear Virgin Territory,

Since 2012, *18eighteen* magazine has been super fun for my imagination and my cock! And the girls in April '12 are real dream girls: Allison, Alyssa, Bella, Mae and Tracey (I love her bush and her outfit, and page 72.) Thank you for the hot comeback of my cowgirl of love, Zoey, and her beautiful ass. My favorite girl was Rilee. I had a big cum shot for her angel face and big boobs! And I love her tight pussy and her little ass.

My suggestions: Can you bring in porn star Sasha Grey in *18eighteen* for a new lezzie scene? Please, more two-page photos of your girls in the doggie-style position. Have a good day.–P.L., Quebec, Canada

Dear P.L.,

In 18eighteen *we prefer to use models who aren't as famous as Sasha Grey. She's great, but not an ideal candidate to be featured in* 18eighteen. *But the two-page doggie-style photos we can do!*

Get the Bushwhacker

Dear Virgin Territory,

I know there are a lot of guys who are crazy about bush, but I'd really prefer it if you kept the bushy girls to a minimum. I don't know who these guys are who prefer really hairy chicks, but I honestly don't think I know any guys in real life who would rather have that over a shaved pussy. For example, Tracey from the April '12 issue is a total cutie, but that bush has got to go. It's just out of control, and she would look way better with out it. When I got to her pictorial my hard-on almost disappeared when I saw her bush 'cause it looks like a bird nest. Fortunately she is really cute, and the other girls in the issue were hot.–O.S., New York, New York

A few readers have said that Tracey should shave.

Dear O.S.,

To each his own! Luckily for you, most of our models share your opinion about hair removal.

Pleasing Mae

Dear Virgin Territory,

The April '11 issue was very good.

Jayda, who's this guy with the big cock?

"He lives on the same floor as me in the dorms. He was helping me move stuff. I thought he was hot so I sat down on the bed and spread my legs so he could see my panties, then I touched his crotch. I was horny and I wanted to christen my new dorm room by fucking him."

Was it hard to fit his cock inside of you?

"A little bit. I've never had one that big before. I really had to stretch my mouth to blow him, and I couldn't swallow all of it. It was a tight fit at first when he put it in me, but then I got used to it."

Do you think big cocks make you cum harder?

"I think I cum no matter what size the guy's dick is. Just as long as it's not like, super tiny. But I do like big dicks. When I get on top–which is my all-time favorite position–and ride it, I can feel it so deep inside me. It's almost like it's up in my belly. Big ones hit my G-spot when I ride them, and then at the same time my clit is rubbing on the guy's pelvis, so I cum really hard. I like being pounded hard by a big cock, too. A guy with a big cock who knows how to use it is the best thing ever."

Mae is a teen fuck-doll with her tight body and pretty twat.

Probably one of the best issues in a while. I think the hottest girl in the issue was Mae. She's adorable, and I love her dimples.

I would lick her from the top of her pussy all the way down to the bottom of her ass crack. She has such a pretty pussy. And that asshole is marvelous. After tossing her salad for a while I would try to stick my finger in her butt if she'd allow it. But I wouldn't try to push for anal, not yet anyway. I prefer to take my time with those kinds of things, especially with a girl who's inexperienced with butt sex. I just try to plant the seed for later.

After teasing and pleasing Mae, I would get on top of her and ease my cock into her pussy. Then when I think she really wants it, I'd push my cock in to the hilt, grinding my pelvis up on her so her clit can get some action, too. I'd take her in as many positions as possible. And at the end, if I had my choice, I would blow my load inside her tight pussy. However I'd be happy to cum on her face or tits if that's what she would prefer.–C.C., via email

Cooze Cruise

And you thought Booze Cruises were fun....

By Suzy Stevens

This year, it was Bermuda.

Sure in previous years, we'd done the whole Eastern or Western Caribbean thing, with lots of stops, but this year, we wanted to concentrate on the journey. What kind of journey, you wonder? Well, some years ago, my two best friends and I were having one of our typical girls' nights out (we'd all just graduated from college; it was how we kept the gang together now that we were working girls!) and the conversation turned to travel. We'd just finished our first bottle of wine.

Valerie told us about how the summer between her freshman and sophomore years of college she'd been lucky enough to backpack across Europe. It was romantic and dirty at the same time: a teenage girl and a few of her friends, traipsing through beautiful foreign towns with just a few scant items–one party dress, a couple of pairs of jeans, a few t-shirts–tasting new foods, hearing new languages and, according to Valerie, fucking all kinds of new men.

"There was the well-hung Dutch guy in Amsterdam, the sexy dark-haired waiter with the fantastic tongue in Italy, the French-speaking Swiss hiker in Zermatt–I mean, how many people can say they've given head on the Matterhorn?"

It got me, and our other bestie, Vivi, hungry for adventures of our own.

We live in Miami, which is *muy internacional*; it's not like there's a shortage of exotic men from other countries. But there's nothing like vacation sex, is there? You're off somewhere entirely new feeling this freedom that you're away from real life. Sadly, as Vivi (our token girly-girl, who considers a three-star hotel camping in the sticks) pointed out, we were all past the stage of being backpackers. Of course, we were three 21-year-old girls just starting our careers. We also couldn't jet off to the Seychelles at will.

The solution? Cruising, baby!

And so began our annual Cooze Cruise (okay, I admit it; we came up with that name when we were all feeling a little nasty)! For the past three

years, we've hit the high seas together. Three girls. Three adjacent balcony cabins. Three nasty, little divas out looking for a wild, wild time away from real life.

I'm happy to report that we've gotten everything we were looking for and so much more. And Bermuda was no different.

Vivi

She is tiny and vivacious, which makes it even cuter that her name is both of those things, too. She's got a sexy, shoulder-length brunette bob with bangs, big brown eyes, tiny, perky tatas and a nice round booty that looks insane in a bathing suit when she's on deck dancing. On top of that, her big smile can light up a city block. Basically, she's a fox.

She's also the "prude" of the group.

"Aye, I am not," she says whenever I drop the p-word while we're talking. But she has admitted that the sex she's had on our vacations has been slightly less adventurous than Valerie's or my own. She wanted to make Bermuda a little different. And when she met Jayson, one of the ship's engineers, she had fallen immediately in lust.

"Oh my god, sometimes I'd see him in that uniform…I love uniforms!" It's true. Valerie sometimes jokes that if Vivi can't find a marine to marry her, she'll be happy with a mailman.

She met him on deck one day, while heading to get another drink from the bar. She was undulating by in her teeny bikini. Jayson was one of a hundred men watching her move across the deck, but he was the only one she had her eye on. They chatted and made plans. They would have a romantic dinner and then go on an exclusive tour of the ship.

She was so excited. Val and I helped her get ready for the date and she left looking foxy in a sparkly gold party dress with a plunging halter. "No need for a bra when you've got barely any boobies!" Vivi giggled. It hugged her curvy hips and rear end and its swishy, glittery hem hovered above Vivi's golden-brown knees. And since it's Vivi we're talking about, three-inch platform sandals and a perfect gold-matched pedicure were a must.

Dinner was amazing, but the ship tour was where things really took off. "He showed me everything!" she told us the next day. "I went up to the bridge and met a few of the officers, I went down to the belly of the ship and saw the machinery that runs it and we ended up all the way in the very front, with the moonlight streaming down on us. No one else was around. I totally wanted to scream that 'king of the world' Leonardo DiCaprio line from 'Titanic,'" she said. "But I managed to stay cool." Until they started kissing, that is. From there it was hot, hotter and hottest.

"He was the best kisser," she told us, "leaning me back on the rails with the breeze and the smell of the open Atlantic and his hands just running up and down my body….mmmm. My tiny, little panties–I had a gold g-string to match the dress–were soaked already by the time he lay me down on a deck chair. I was glad it was a warm night, because about 10 minutes later, my halter was undone and the skirt was pushed up to my waist and my beautiful gold dress had become a baggy belt!

"Jayson licked and kissed my nipples until they were rock hard," Vivi said, "all the while he was stroking my pussy through my panties, teasing me. I was breathing like I'd run up a few flights of stairs every time he nibbled one nipple, then let the sea air make it even harder. At first I was so afraid someone would see us. We were right out on deck! But then he'd kiss me again, and sucking on his tongue I would just forget the world was there. All I could feel was the warmth of his body and the tingly sensation in my pussy."

And that's where he was headed next. Peeling her gold g-string to the side ("He was suave enough to comment about how cute they were before he did it!") he relished the smooth, sexy silhouette of Vivi's fresh Brazilian wax. "I like to be super soft," she said. "As soft on the outside as I am silky-wet on the inside."

When his long, probing tongue slid between her naked lips, Vivi gasped and let out a tiny moan. "Then my hand flew up to my face to cover my mouth," she said, laughing. "His tongue was unbelievable, like he was hungry–starving–and my pussy was candy, and I couldn't help getting…verbal!"

Moaning actively now, with one hand covering her pretty mouth and the other tangled into Jayson's dark, wavy hair, Vivi guided him, her legs bent, thighs wide apart, hips undulating as she pressed his hungry lips and tongue harder against her juicy,

swollen cunny, fucking his face, begging for his tongue, which alternated from sliding deep into her hole to flicking her juicy, little clit.

"I think it was my best orgasm ever," she confessed, "and I think maybe the thrill of doing it outside, where someone might have seen us, is part of why. After I came, Jayson helped me retie the halter. He was such a gentleman, he wasn't going to even take his pants off!"

Vivi fixed that by walking to the rail, bending slightly, then lifting her dress to showcase that round apple of an ass, with the sparkly gold string disappearing into the depths of her wet and still-pulsating snatch. "'Come get some, Papi,' I whispered. And I didn't have to ask twice."

Jayson came up behind her, one hand bracing on her ample hip, the other digging his long, rigid cock out of his trousers. "The skin of his prick was searing hot," Vivi remembered, "like new-forged steel." As it slid inside her, stretching the tight walls of her dripping pussy as it went, "I could almost hear a sizzling sound in my head, like my juices were turning to steam as he moved."

Once in to the hilt, they locked together, Jayson's firm grip on Vivi's ass allowing her to bend double and brace herself on the deck below. "It was so fucking animal-hot," she said (and Vivi is not one to drop the F-bomb, even if she's willing to do it on the open-air deck of a cruise ship) and he warned me before he started to have an orgasm. He had been such a gentleman the whole night–and honestly, I was afraid he'd get my dress all sticky–so I wheeled around in time and just swallowed the whole, big, sweet load as it pumped out of his thick, beautiful cock."

The party continued later in Vivi's cabin. "And the next night in his." Indeed, Vivi had more sex than any of us this trip–but it was only with this one very lucky guy.

Suzy

Like Vivi and Val, I wanted to get some strange dick on this trip, but as much fun as I had the whole way to Bermuda–lots of dancing and drinking and flirting and hanging with my girls–I hadn't met anyone who felt right to get nasty with. That changed once we got to Bermuda.

The girls were all hot on taking some jet-ski tour, but after a few days at sea I was ready to go get my shopping on and enjoy the town. I had just gotten a promotion at work and with no boyfriend to speak of I was all set to congratulate myself with a new piece of duty-free jewelry and planned on hitting several stores before making a choice. I put on my cutest, wide-brimmed straw hat since my nose was already getting kind of freckly from the sun, did my hair up in blonde braids, donned the adorable blue-gingham sundress I'd bought just for the trip and slipped on my best pair of walking flip-flops. I was ready to comparison shop and grab a fun, indulgent lunch somewhere.

After hitting a couple of shops (and buying a cute new hat) I was thinking about heading back to shop number one to get a second look at the watch I was thinking about. I stopped into a local open-air bar for a quick salad and a cold drink. The bartender and I were chatting about which of the stores I might want to check out when a warm accented voice chimed in from behind.

"Excuse me, young lady," it came, deep and sonorous, "I know it's self-serving, but you might want to visit my little shop just across the street. Most of the boutiques here have many versions of the same thing. Mine has some unique pieces you might not have considered."

I turned to face him. He was medium-to-dark skinned, every inch of it flawless. He wore a shirt and tie and slacks and didn't look even slightly uncomfortable in the midday heat. A sharp Panama-style hat shielded his eyes and his lips were framed by a neatly-trimmed beard-and-mustache combo. Sexy.

"Thank you," I said, as he handed me his card and threw some

"'Come get some, Papi,' I whispered. And I didn't have to ask twice."

tip money in the bartender's can. "See you tomorrow, Phillip," he said. "Lunch was great." Then he turned back to me, "The chowder here is excellent, Miss…?"

"I'm Suzy," I said.

"Suzy," he said back to me, smiling. Something was happening to my nipples just hearing him say my name. "Delightfully American. I am Hamilton. My mother named me for this beautiful town. Please, Suzy. Come see me. I will find you something special to wear back home."

He was right. The chowder was excellent. And Phillip talked me into a Dark & Stormy, so I was feeling no pain when I crossed the tiny lane to Hamilton's shop. A tiny bell jingled as I walked into its quaint, clean confines. Silver and gold and gems twinkled from inside its glass cases, but he was right again–everything here was so unique and artisan-crafted. My favorites, immediately, were the treasure coins–some worn down by the ocean–which had been turned into beautiful necklaces. While I was busy browsing I felt his warmth behind me. "Hello, Suzy," he said. I stood and turned. He was inches away. "Just as I suspected, you have excellent taste. These pieces are treasures. Would you like to try one on?"

I nodded. My nipples were getting hard again listening to that accent. I picked one, his fingers grazed the back of my neck as he put it on me, then reached around to hold up a mirror for me to look. The necklace was pretty, but my eyes were drawn to his. We gazed at each other in the glass. I started to feel a little crazy. I was thinking about fucking this strange Bermudan man in his jewelry store. I looked back to the case.

"How about that one?" I said, my voice husky.

"Even prettier, more delicate," he said. "Just like you."

He put it on me. It was gorgeous. So were his eyes. Mine green, his dark, dark brown. I reached back with my left hand and found his. Our eyes still in the mirror. I stepped back, my ass now against his trousers. I could feel something in there. Something big. I wanted it. I turned and met his gaze head on and we kissed. His lips were warm and cushiony, his tongue tasted vaguely of spearmint, his hands, big and sure, cupped the curve of my bottom. I slid to my knees. He reached toward the door and locked the shop, drawing the shade on the window just as I took his thick, heavy cock into my mouth and began to suck it.

His skin was creamy and soft, his dick was hard and fat and long, longer perhaps than any I'd had before. He smelled shower-clean. He told me how good my mouth felt as I licked and sucked and watched him watching me do so. I was torn. I wanted to make him cum, to taste him, but this cock–it was far too big and impressive to pass on. Lucky for me, Hamilton read my mind.

His skin was creamy and soft, his dick was hard and fat and long, longer perhaps than any I'd had before.

"I'm going to take this party in the back," he said, soft and Bermudan. My cunny quivered as he carried me, his beard tickling and teasing my neck as he kissed me there. In the back we approached a net-draped bed fit for some beachy boutique hotel.

He set me down and lifted my dress over my head, sliding my panties to the floor and gazing at my silky, blonde muff before laying me down on the bed. I watched him take off his clothes with precision and care, folding or hanging things. His dick arced out from the root like a great, flexing arm. As he came down on top of me it parted my legs and cleaved my blonde, peachy pussy in two orgasmic halves. I watched his cock–as he was up on his knees, gentle hands holding my legs apart–as it made its way inside me, emerging glazed with my sticky-sweet sugar, a glistening chocolate cruller, its icing begging to be licked.

He watched it, too, and I reached down, fingering my button fanatically as he moved faster and faster, his cock touching me in places that no man had reached before. I'd never thought about it before, but Hamilton was about to turn me into a size queen, pummeling my soft, wet pussy until I screamed into his scented pillows. I finished him as I'd wanted to, letting him take my place amid the down and fluff and relishing every inch of his cock (it may have surpassed nine inches!) as I lay next to him, his hand caressing the softness of my bottom.

He watched me as I licked and sucked and pulled with my mouth–swollen with lust. I devoured him and sucked the sweet cream from the depths of his big, round, fuzzy balls. I swallowed every single drop. It was even better than the chowder. I made a mental note that braids were especially nice for cock-sucking. No hair interference.

Hamilton dressed me. He fixed my hair. He even put on my flip-flops. And then he told me I could keep the necklace if I'd go for dinner with him on his next business trip to Miami. That was a no-brainer! I stopped at the first store before heading back to the cruise ship and got the watch, anyway. I couldn't wait to show my score to Val!

Valerie

Jet-skiing, it turned out, wasn't her thing. Jayson had gone with them and she'd felt like a third wheel, so she came back to the ship early. It was mostly empty, since everyone was in town–ideal for a sun-worshipper like Valerie to enjoy time by the deserted pool where no one's loud children would force her to abandon her book

Allie, we love your tartan skirt. Is that what you like to wear when you go to school?

"Yes, I love wearing short, little skirts to school, but I always get in trouble for it. All my teachers hate me because I dress slutty and I flirt with the boys. And what pisses them off even more is that I still get good grades, so they can't do anything."

Allie

Schoolgirl

What do you do when you flirt with the guys in your classes?

"I tease them and I squeeze my tits together so they'll look at my cleavage when I'm talking to them. Or I'll drop something on purpose just so I can bend over and stick my ass in their face. One time I was flirting with this guy in my art class and I totally let him finger me right there. His hand started on my knee and then slowly made its way up. Of course I was wearing a skirt, so eventually he made it to my panties. Then he moved them aside and played with my clit and stuck his fingers in my pussy."

Nobody noticed he was playing with your pussy?

"Yeah. Some girls did see it. I even saw them whispering and looking over at us while it was happening. But I didn't care. I was too busy leaving a puddle of pussy juice in my seat. Good thing I had a change of panties in my locker because I really needed it! The girls ended up spreading rumors but I just denied it."

Do you always have a change of panties in your locker?

"Yes. I have to bring a change of undies or else I would be sitting in panties that are damp from my juices all day. Sometimes it's not easy being horny! I'm always nice and wet at school from talking to all the cute guys I want to fuck. And when I'm not talking to them I'm thinking of their cocks. Sometimes I even go into the bathroom to masturbate quickly or else I won't be able to focus on anything. That's when my extra pair of panties comes in most handy!"

for her new iPod.

After about an hour, her bronze skin still gleaming with coconut-scented oil, she moved to the shade of an abandoned cabana. One hour in the sun had heated up every inch of her curvy body–and the erotica she had been reading had heated up all the best crevices.

"It was so empty there," she confessed to me later. "And there was no one in the cabana. I covered my lower half with my oversized beach towel and started to let my hand wander. But it got out of hand. I was making myself feel so good, I forgot that I was still technically out in public."

Until the waiter showed up.

"Miss, we're about to change shifts," he said as he approached, "can I get you something before I…."

And there was Valerie, hard in the throes of masturbating, about to cum. One hand had pulled her chocolate-brown bikini to the side to reveal the beautiful pearly-pink of her insides, buffeted by soft, dark wisps of hair on her labia, two of her fingers were buried inside to the second knuckle. She knew she was busted, so she didn't bother missing a beat.

"Can I order you to my room?" she said, nasty-hot and horny. "Right now?"

The waiter–well built, in his late 30s, salt-and-pepper hair–didn't miss one, either.

"I'm all about, service."

Minutes later, she was spread eagle on her bed, the stranger's mouth devouring her sun-sweaty pussy, his thick fingers blazing a trail into the tight space of her ass, licking her from clit to rim and back, making her moan and writhe in the messy sheets.

This was about the time that I came bursting in, excited to show Valerie my new jewelry and tell her all about Hamilton. Needless to say, she was writing her own story at the moment.

"Suzy," she said (after the shock had worn off) "my orgasm is now your responsibility."

"I'm still sore from my day in town," I said, teasing my story for later, "but if…this guy here isn't opposed to doing the bulk of the work I'd be happy to move in for a taste, girl. You look sexy."

And with that, I took his place at Valerie's pussy, rolling her clit between my lips while Mr. Unnamed Waiter yanked out his crank (about seven inches, I'd guess, which until an hour previous would have impressed me) and worked it into Valerie's rear end. I licked her harder, aware that I was serving not only as chief cunt-sucker, but the ship's entertainment, as well.

I licked her theatrically, exaggerating my tongue, giving the stranger a show as he moved slowly in and out of Val's tight rear end, making her scream so loud I was happy it was shore excursion day. Someone would probably have called security otherwise. She came hard, squeezing and bucking. I moved deftly aside in time to watch the waiter's thick, creamy spend trickle and spurt, pooling in Valerie's navel, filling it and breaching its lip to form a small islet in the center of her browned belly.

"Wow, Val," I said, laughing. "You got some serious color this trip."

"And you got some serious new bling!" she said, finally noticing my watch and necklace.

"I'm Hector," the waiter said as he left. "You ladies have a nice trip."

"Thank you, Hector!" we giggled.

Vivi came in as he was leaving. She looked happy and exhausted from her day on the water with Jayson. She rolled her eyes, knowing there was going to be a story to tell. It turned out to be even funnier when Hector ended up being our waiter that night in the ship's Italian restaurant. 18

"Suzy," she said (after the shock had worn off) "my orgasm is now your responsibility."

Molly
Girly Girl

Hey, Molly. Tell us about yourself. What do you like to do for fun?

"Well I'm a girly girl who likes to go shopping and get her hair and nails done. In my free time I like to go to the beach. I also love listening to music like Justin Bieber and Katy Perry and going out to clubs to dance."

What kinds of things do you like when it comes to sex?

"With sex I like to get a little wild. Normally I hate getting dirty or sweaty, but that goes out the window when I'm fucking someone. That's the only time I like to get sweaty and have my make-up smeared 'cause the guy just came on my face."

What was your kinkiest experience?

"When I handcuffed my ex to the bed and had my way with him. Normally I'm kind of passive when it comes to sex, so switching things up like that really turned me on. I felt like his cock was mine and like I was in control. I was so turned on my twat squirted!"

Being the new hire at the firm hadn't been as difficult as Melissa had expected. There was no animosity with the other women working there, even though the guys all paid her a lot of attention. Too much attention, in fact. When her little white lie was exposed by her boss, though, the sexually inexperienced teenager never thought it would lead to her becoming the...

Head Office Girl

Melissa wasn't surprised to see Jason approaching in her peripheral vision. He'd been loitering around the water cooler, waiting for two of her fellow office assistants to go back to their desks.

Not again, she thought, wishing she'd waited until after lunch to fill her water bottle.

"Hey there, Melissa," he said, working up a smile. "How's it goin'?"

"Pretty good, Jay. What's up?"

"I was wondering," he began, hesitant about it. No wonder, she thought–four of his friends had already gotten shot down in the few weeks since she'd been hired. Melissa was getting a little wierded out by it all. At school, she rarely got hit on. And, those guys were her age. Everyone here was older. Melissa was, by far, the youngest girl on the payroll.

"Wondering if…?" she prompted, wanting to get this over with as quickly as possible. She didn't have a whole lot of work left to do, but wanted to get it finished. Not that Jason was a bad guy. He was pretty good looking, and he was only a couple years older. Twenty-five, maybe. Seven years wasn't all that much older, right? Not that it mattered–she wasn't really interested in him.

"You, uh, got any plans for this weekend?" he finally managed. Melissa put on her friendliest smile.

"Oh. Actually, yeah. I'm going to a family picnic with my boyfriend Saturday."

"Well," he persisted. "What about Sunday, then?"

God, was he dense. She found herself struggling to remain pleasant. She didn't want to get a reputation for being a bitch, after all.

"Dunno, but probably hanging out with him Sunday, too. Maybe hit the movies."

"Movies? Ahh, movies're boring," Jason proclaimed, his smile widening. Melissa wanted to roll her eyes. Actually, she wanted to tell Jason that she was going to spend the weekend on her knees, then her back, taking her boyfriend's cock every way he could give it to her. Maybe even getting down on all fours and letting him fuck her ass so good that she couldn't sit down when

she came to work on Monday. But, she decided against it.

"Well, we like 'em," she said. "But thanks anyway. Wow! It's getting so late. See you later, Jay, I have to get back to my desk."

She was gone before he could sputter a protest. Another narrow escape.

There were prettier girls in the office, Melissa believed. Tracy, a real looker, was about five-eight and had centerfold-quality tits. Melissa didn't know her well, but thought she might already be hooked up. Cynthia was also a hottie, with really nice legs that she showed off in some pretty short business skirts. She was only 30, and plenty of the guys paid close attention whenever she got up to get coffee.

Had none of these guys ever gotten any in high school, she wondered. She couldn't think of any other reason she'd been getting asked out so much. Her legs were all right, but nothing compared to Cynthia's. She didn't have much of an ass, either. Hip-huggers were alien to her, seeing as she really didn't have any hips. And her boobs? Forget about it. She'd been waiting on them to show up since she turned thirteen. She was still waiting.

Maybe the guys had simply exhausted the talent pool, she considered, slipping behind her desk and settling in at the computer. Of course–that had to be it. She was simply new meat, that was all.

Or, they think you're a virgin and wanna be the one to pop your cherry, chirped a little voice in her head.

Melissa tried to shush the voice, but it wouldn't be silenced.

Maybe they don't buy the line you're feeding them and know that if they can just get you going, you're gonna go all porno-movie on them. Because remember, you've nev–

The intercom buzzed, jolting her back to the present. Had ten minutes already gone by? She transferred a call and tried to concentrate on work, but her thighs tingled and the little voice wouldn't let it go.

Think they can tell how long it's been since you even had a date?

By the time she realized it was twenty minutes past closing, she was wound so tight she half-expected to hear SPROING! when she got up to clock out. On the way to punch her card, she bumped into Mr. Westlake, the man who'd hired her. Not to mention, the company's owner.

"Hi, Mel, got a second?"

"Sure," she answered, trying not to sound nervous. She'd been distracted all afternoon, alternately horny and frustrated, as the little voice in her head hammered away at her. Once, she'd even pulled a file she didn't need from Records just so she could see if she was leaving a pussy juice stain on her office chair. Thankfully, she hadn't. But that didn't mean she couldn't feel the growing wet spot between her thighs. Her bloomers felt like a sponge.

He pressed his mouth to hers, tasting of Marlboro and cinnamon chewing gum. Melissa kissed back, hard, her tongue finding his and licking the taste from it.

Had Mr. Westlake noticed? Or Lynn, the office manager? Was she going to get fired because she couldn't keep her mind off her twat?

Westlake took the stairs down to the basement, which was filled with old office furniture. He walked over to a basement window and wrenched it open before lighting a cigarette.

"Damn county regs," he said, explaining. "Can't have a smoke indoors, even in my own office. Got to come down here to sneak one."

Melissa couldn't help but smile. If she was getting the axe, this sure didn't seem like the way Westlake would do it. He leaned against the wall, vest open, looking like he belonged on the TV show Mad Men. And, she had to admit…looking pretty damned good.

"I saw Jason talking to you. He giving you any trouble?"

She was surprised. She hadn't known they'd been seen.

"Oh, no, not at all. He was, you know, just…"

"Just hitting on you?"

Melissa looked down. She didn't want to get Jason in trouble, even though he'd been kind of a jerk. Westlake read her mind.

"Don't worry, it's not going to get him in trouble. Hell, Jay's hit on just about every woman here. Think he tried to get Velma into a closet with him last Christmas party."

Melissa giggled. Velma was the company attorney. She was 73, and looked every day of it.

"Then there's Mike, and Christian, and Lou…even Ernesto, right?" Westlake continued, ticking off the other guys who'd asked her out. She sighed, and nodded, wondering how he knew.

"Got to give Ernesto credit," Westlake said, impressed. "That boy can't even speak English."

Again, Melissa giggled. She'd needed to look up las peliculas to figure out Ernesto had asked her to the movies.

"Your boyfriend," said Westlake. "He isn't going to come around here and start giving my drivers black eyes, is he? It's happened before, and I'd hate to fill out the workman's comp paper on that."

"Uh, well," she replied, hemming and hawing. Westlake stubbed out his smoke and tossed it into the alley.

"I knew it! Single, huh?"

"Yeah," she sighed. The cat was out of the bag now.

"Me, too," Westlake confessed, holding up the wall. "Sucks, don't it?"

"You can say that again!" she blurted. "I haven't gotten off in forever!"

The basement grew still. She exchanged a bashful look with Westlake, who seemed to be waiting for her to say something else. Melissa, though, couldn't believe what she'd said already.

"Well, me either," he said, breaking the silence.

He pressed his mouth to hers, tasting of Marlboro and cinnamon chewing gum. Melissa kissed back, hard, her tongue finding his and licking the taste from it. She dug old guys–just not any of the drivers or who worked in the cube farm. Westlake, though, got her engine going.

Caprice
Teen Beauty Queen

Welcome back, Caprice! What have you been up to?

"I lost my virginity and I've been having lots of sex! I don't want a boyfriend so I have two guys that I sleep with regularly. Before I had sex I wasn't interested in having friends with benefits, but now I've changed my mind about that."

Why did you change your mind about fuck buddies?

"Because I really liked the freedom of being single, but I didn't want to be sleeping around with too many guys. At first I was afraid I would get attached, but when I started having sex I realized that I could enjoy amazing orgasms without liking the other person."

What was your first time like?

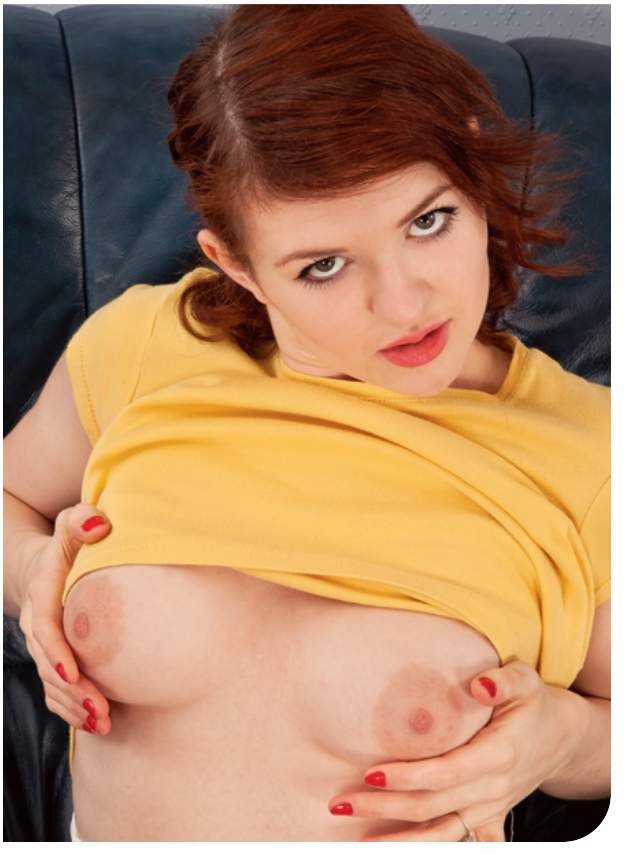

"It was amazing. The guy had a big dick so I was a little nervous, but he was really good about putting it in slow and taking his time. He ate me out for a long time before he fucked me so I was really horny. I wanted it bad, and I think that's what made it good."

Fawna
Brit Bush

Hey Fawna, do the British boys like to munch on your bush?

"I wouldn't know. I've never had one go down there! I hope they do because I don't fancy shaving too much. I shaved down there once and didn't like it a bit. Personally I think pubic hair looks nice on a girl. I don't see what the big deal is with everyone getting rid of it. It's just hair! Everyone had body hair up until the past few decades when it became popular to shave it."

So you're a virgin? Do you want to have sex?

"Yes, I am a virgin and I really would like to shag. Now that I'm 18 I think I'm good and ready for it. I spend a lot of time playing with myself and thinking of all the things I'd like to try. For instance, I would love to have a shag in the backseat of a restored 1960s Humber Super Snipe. I just love classic cars! But I'm so inexperienced that I get excited just thinking about the first time someone will lick my fanny and give me a proper shagging. I'm diddling myself practically every night in anticipation of it!"

HEAD OFFICE GIRL

Continued from page 54

He was all over her, and Melissa wanted it that way. He hauled her over to a big, wooden desk and sat her down on it, yanking her shirt up over her head while she worked open his pants. She was just as anxious as he was. Maybe that would shut up the little voice in her head. The one that had been reminding her of her virgin status all fucking afternoon.

He unclasped her bra with one hand. Not that she needed to wear one for the little she had up top, but you couldn't wear a blouse and go braless when your nipples were hard all day long.

Westlake palmed her flatness, grinding the heels of his hands into her erect gumdrops.

"It's been forever and then some…" he remarked, just as she pulled his prick free.

Westlake's cock was fat. And long. When she tried to wrap her hand around it, plenty was left sticking out, hovering in front of her face. Melissa shuddered when she thought about where he might soon be sticking it. To keep from looking as inexperienced as she was at handling dick, she extended her tongue and ran it over the head of his cock.

Westlake was too horny for teasing explorations. He pressed into her urgently, his hard-on forcing open her mouth and finding a warm, wet nesting place on the center of her tongue. Melissa wrapped her lips around his pole, slurping away at him, the salty taste of pre-cum filling her mouth.

"Oh yeah. Do it, Mel, just like that. Suck my dick."

Melissa went down on him with all the enthusiasm of a mouth-virgin, sucking 'til she gagged. She was dripping wet, cunt lube pouring from her slot like storm water funneling out of a drainpipe. She rubbed her thighs together, the pressure on her clit maddening, while Westlake pinched her nips. Cock packed her mouth so full her jaw ached.

Her boss' nuts felt as heavy as softballs knocking against her chin. Drool ran from the corners of her mouth as she generated more saliva over the taste of his sperm. She jacked him two-fisted, using the chance to break away and catch her breath.

"Wanna cum in my mouth, boss?" Melissa asked, going all porno-movie on Westlake, just as the little voice had predicted. "Or would you rather blow your load on my face?"

She ran her teeth across the head of his cock, nibbling around his blowhole. He was on the verge of spewing, and she was undecided about how she wanted to make him cum. Leaving it up to him seemed the best way to go.

Oh, Melissa," he groaned, his balls tightening in her tiny fist. They were so slick with spit that she almost lost hold of them. She worked him with her lips. He gritted his teeth, then grabbed his shaft.

"Hon…close your eyes."

He gushed on her face like a super-soaker water gun. Loads of hot jizz pulsed out of him, coating her face in ball butter. He erupted on her right cheek, cum splashing against her nose, before he bathed her left cheek with another blast of semen. She lapped up a trickle of spooge that ran over her upper lip.

"Mmmmm, yummy," she cooed, as the sperm shower continued. Westlake kept pumping out the jizz, spurt after spurt. When he finally finished, it was dripping off her face and into her lap.

"Oh, god!" she exclaimed, quickly undoing her pants and yanking them down. There were obvious cum stains all over them!

"Don't you worry about that," Westlake said, pulling out a handkerchief and wiping his salty discharge off her face.

He kicked aside the pants, staring down at her. She was wearing nothing now but a pair of pink bloomers, and being so naked in front of him made her shiver. Not in a cold way, though. And not because she was uncomfortable. He inserted a finger into the waistband of her undies.

"Pardon me for noticing, but…these look a little soiled, too."

Melissa's eyes bulged, then shot to her crotch. The fabric was soaked, making her panties so tight she had a cameltoe you could have seen from across the basement. She gulped, embarrassed. Westlake pulled the waistband away from her skin. The fabric made a wet, sucking sound as it

Why are you bra shopping?

"Even though I don't have to wear a bra 'cause I'm so flat, I still like to have them for when I give a guy a strip tease. I think every girl likes pretty underwear."

So how do you go from shopping for bras to fucking?

"The guy working there wanted to measure my chest to see if they had any bras that would fit me. I guess he likes little tits 'cause I could feel his hard-on poking me from behind. I was down for a fuck, so we went into the fitting room."

Did this guy fuck you well?

"Oh yeah. He was totally into it. I can always tell when a guy really likes little tits because they fuck me so good and give me orgasms like no other. His dick was extremely hard, like harder than normal. I love it when their cocks are like steel."

came free of her sweet spot, allowing him to see her cunny.

"I don't think we need these any more, do we?" he asked, not waiting for her answer. He peeled them off, exposing her smooth vee.

"If I remember right," he asked, pretending not to be sure. "Didn't your resume list one of your extracurricular activities as gymnastics?"

Melissa nodded, leaning back against the heavy desk. Westlake sank to his knees, inhaling deeply, his nose just inches from her soggy box.

"I bet that makes you all kinds of limber, doesn't it?"

He kissed her down there. His lips soft on hers, his tongue flicking her swollen clit. Her knees wobbled, her legs turning to jello. Westlake eased her back so her ass was on the edge of the desk.

"Spread 'em wide for me, Mel. Let me taste you."

Melissa lifted one leg, resting her ankle on the desktop. She reached down and pulled apart her thick outer folds, exposing the silky pink path from clit to cunt.

Westlake ate her like he hadn't given head in years. He ran his tongue through her oozing cleft, gobbling up her girl juice, diddling her nub with his middle finger.

Melissa came immediately, her deprived snatch finally getting the attention it longed for. Westlake seemed to sense it–her need for orgasms. The next time she climaxed, he plunged his tongue into her, making her scream.

Melissa wrapped her legs around his head, leaning back and forcing her privates against his mouth. Westlake discovered he had a second hand free, and Melissa arched her back–two fingers having found their way into her snug tunnel.

"Don't stop!" she cried. "Please! It's so good…so…go-o-o-od…"

Westlake suckled her button, fingerfucking her hard and fast. He curled his digits, enabling him to poke her G-spot. It made her writhe, cunt oil squirting out of her as she came. She thrust her fingers into his hair, her nails prickly against his

Jayden, the word around town is that you love butts.

"I do! I don't think there's anything hotter than a girl or a guy with a nice, round ass. It's always the first thing I look at when I check someone out. I guess you could say I have a bit of a butt fetish. And it's not just when it comes to other people, either. I like having my ass played with. I have a collection of butt plugs and anal beads, and I think that anal sex is god's gift to man…and woman! Nothing gets me off harder than a stiff one up my tight, little ass."

How did you first get into anal sex?

"Even before I found out that people had anal sex, I had been curious about it. Before I knew much about sex I would play with my ass a lot when I masturbated, and I thought I was weird because of that. When I found out that people are actually into anal play I was so relieved, and I knew I had to try it one day. I did it with my first boyfriend and have been hooked on it ever since."

You sound like a freaky chick! How often do you do anal? Every time you fuck?

"I don't do anal every time I fuck. But I do it somewhat frequently. When I'm really turned on is when I like to do it. So if I'm fucking a guy and the sex is just whatever, then I'm not going to do anal with him. But if we're screwing and I'm getting really into it and cumming like crazy, then I want to get fucked in the ass. It just depends on how horny you can make me. I don't discriminate on dick size either. Smaller ones are okay because they're easier, but I'll gladly let a really hung guy put it in my ass so long as he can work it."

HEAD OFFICE GIRL

scalp. She bucked upwards, her twat streaming. Westlake kept the pressure on–both with his long fingers and snakelike tongue.

Catching her off guard, just as she was about to cum for a fourth time, the company head honcho stabbed into her tush with his thumb. It wasn't much–barely enough to open her, but it sent shockwaves ricocheting through her nonetheless.

Melissa creamed all over his face, her pussy squelching as she flopped around like a fish hooked through the gills. Sweet teen cum leaked out of her, running down Westlake's chin. Melissa's convulsions were so explosive, she didn't realize that no one was knocking on the basement door–it was only her, banging her head against the ancient desk.

Melissa sat up shakily, looking into Westlake's eyes. His face was greasy with her love lube. She thought he was going to suggest they sneak back upstairs. Maybe he'd be willing to drive her home, so she wouldn't have to take the bus in her cum-spattered clothes. Instead, he picked her up, carried her to a comfy leather couch, and deposited her on her back. He towered over her, his bulging cock fully erect and casting an intimidating shadow on her thigh.

"What do you say, kiddo? Double or nothing?"

Melissa eyed his throbbing pole. As satisfied as she'd been by his pussy-eating, she was twice as hungry for what she'd never had before. The little voice cheered her on.

This, it said, is the kind of guy you surrender your cherry to!

She lay back, dragging her instep up the length of her opposite calf. The gesture was sexy as hell–she'd stolen it from an Angelina Jolie film. She could practically see her boss' mouth watering.

All…porno…movie! shouted the little voice.

"When was the last time you banged an eighteen-year-old, Mr. Westlake?" she asked, letting the question hang there. "Or…fucked an honest-to-goodness virgin?"

Westlake was already breathing heavy. He looked her up and down, his eyes lingering over her flat chest, her stubby nips standing up at attention and her soft box glistening with wetness. His cock twitched.

"Now that," he said, nodding appreciatively at her slender body. "Has been a real, real long time."

He grunted, and for a second, Melissa froze, thinking he was about to nut in her. But he just shifted his position, pulling one of her legs up over his shoulder so he could go at her even harder. Unbelievably, even deeper.

Slowly, Melissa parted her legs. She bit her lower lip and ran her fingertip around one hard bud.

"So…why aren't you fucking this one yet?"

He was between her legs, cat-quick, hands cupping her tiny ass as he nudged his prick against her slippery entrance. He felt huge, almost too big to let inside her. Melissa forced down a brief flutter of panic as she continued to spread her thighs.

"Ready whenever you are, boss," Melissa said, hoping it sounded as hot as she felt.

"Me?" he confessed. "I've been ready for weeks."

He plunged into her, rocking her world so hard that she saw stars.

It hurt, but only for a minute. Melissa hadn't believed that it could feel so good to have a real cock inside her, but the man who'd hired her certainly had the right tool for the job. Her cunny muscles felt like her thighs

did after a workout with her older sister on the Stairmaster. Her twat was on fire, but it was a fire that made her want to keep going, not stop.

"K-keep going," she gasped. "All the way! I'm okay…just give it to me, I want to feel you all the way inside of my tight pussy!"

Westlake's arms stiffened. He'd been holding back, only giving her the first six inches or so of his rigid babymaker. He lowered himself further into her, the leather squeaking beneath her sweaty ass.

"Anything you want," he breathed into her ear, and pounded into her, down to the balls.

His cock probed places inside her she'd never touched. Not with her fingers, or her sister Debbie's vibrator. But now…now she was getting fucked inside-out, and her partner's cock felt like a cucumber. She'd once gotten off using one after reading about it in a magazine. The thing with the cuke was, though, she'd been terrified of actually working it past her folds. It was exciting to fantasize about, and to work it just into her sopping opening, but inside her? No way. She'd never be able to get something like that up her.

She didn't feel that way now. Westlake was hung, and his prick was doing things to her no toy from her sister's arsenal ever had. Deb found a new vibe or dildo every couple of months, and lil' sis had given every one of them a whirl when her sibling wasn't home. She couldn't wait for Deb to get back from college. Deb had shared plenty of hot sex tales with her, and now she'd finally have a whopper to trade back!

Westlake ground his hips into her, his cock stretching her to the max. His balls dug into her ass crack, taut and sloppy-wet with her twat sauce.

He grunted, and for a second, Melissa froze, thinking he was about to nut in her. But he just shifted his position, pulling one of her legs up over his shoulder so he could go at her even harder. Unbelievably, even deeper. She was glad their steamy fuckfest wasn't over yet.

His arm was on the back of the couch, sweat running down his neck. She raked her nails down his chest, leaving faint trails. Every breath she took rattled in her chest. Any second, and she was going to climax.

He smiled at her, reaching down and placing a fingertip into her mouth. She sucked on it, tasting herself. She shut her eyes, going farther and farther over the edge, until she couldn't hold on any longer.

Her pussy clamped down around his rigid shaft, spasms of lust trying to milk the jizz from his balls. He didn't slow up, banging her relentlessly, the leather beneath her now slick with girl cum.

"Mel," Westlake said hoarsely. "You…oughta sit up for this."

He withdrew. Melissa wasn't sure anything had ever felt worse than him pulling out of her quivering snatch. But she knew he couldn't cum inside her, and this was the next best thing.

She wondered if it made her oral better, her trembling the way she was. Her boss certainly seemed to appreciate it, his hands on the back of her head, urging her to finish him off. This time, she decided, there would be no pulling out.

"Bet I know what you're wonderin'," she said, taking his balls in her mouth and working them over with her tongue.

"Oh yeah?" he asked, clearly doing everything he could to make things last a little longer.

"Un-hunh," she answered, nodding as she took his dick between her puffy, red lips again. "And…here's your answer."

A bullet of jism surged past her tonsils. Melissa opened wide, letting him cum right down her throat. For a guy who'd just blown his load, he sure had a deep reservoir of the sticky stuff, and he flooded her mouth with it while she did her best to try and keep up.

Swallower, she confirmed silently, because until that moment, she hadn't known herself.

He lent her some workout clothes he kept in his closet, and drove her to his place so she could wash her clothes. She called her mom, letting her know she'd be working late. When she strode into Westlake's laundry room, she was wearing nothing but heels.

"Those're going to take a while," she said, pointing at the wash. "What do you wanna do to kill some time?"

As it turned out, he had plenty of good suggestions. 18

Mae, why are you fucking at the doctor's office?

"The intern needed to take my temperature from my butt, and when he stuck the thermometer in, I got really horny! I even told him to stick it in deeper. Then he told me he was going to give me a vaginal exam, and he stuck his fingers in my pussy."

Had you ever done anything like that before?

"No way! Before that I'd never even had anything in my butt, not even a finger. I didn't think a little thermometer would feel so good. And I certainly never fucked in a doctor's office before. It's one of the kinkiest things I've ever done."

Do you think that you'd like to try more anal play in the future?

"This experience definitely has me intrigued. I'm open to it now that I know it feels good. But I'd want to start off light. Just some licking and fingering for now! But more than anything this experience has me wanting to screw another doctor! They really know their way around your body, and they're so smart! The idea of a hot doctor giving me an exam and exploring my body turns me on so much. I hope I never have a male gyno because I might just cream all over him while he's examining me! Is that weird? I think it's pretty damn hot!"
